of the United States as a world power, and the nature of power itself, are at a historic turning point, a time when the nation's decisions could determine how long it remains a superpower. ...

America and the world : conversations on the future of ...

"America and the World" is essentially a record of an organized dialogue between Zbigniew Brzezinski and Brent Scowcroft (the respective National Security Advisors for Presidents Carter and Bush Sr.), hosted by David Ignatius (it is literally organized, transcript-style, as a dialogue).

America and the World: Conversations on the Future of ...

For this reduced price, the America and the World: Conversations on the Future of American Foreign Policy is highly recommended and is always a popular choice amongst most people. Basic Books have...

America and the World: Conversations on the Future of ...

America and the World is in the form of a conversation between these two statesmen, moderated by the Washington Post columnist Ignatius. Some readers will find the conversational format frustrating; these thinkers have complex worldviews, and the relatively short statements here do not always allow for their full expression.

America and the World: Conversations on the Future of ...

America and the World is an edited transcript of their conversations. And, contrary to the operative assumption behind Sunday morning TV talk shows, it turns out that two wise interlocutors who concur can be as interesting and informative as experts with completely divergent views.

America and the World: Conversations on the Future of ...

But every now and then mere words change the very shape of the world and alter all of our lives. By Kenyon Boltz. Conversations are so abundant in number, diverse in material, and infinite in degree that we as a whole do not look at how these interactions and emotions dictate our life.

5 Conversations That Changed History | Primer

kcpt Kansas City PBS 2 07/22 18:30: THIS IS AMERICA is entirely devoted to international content with personal conversations, roundtable discussions, and on-location mini documentaries with world leaders, newsmakers, and extraordinary individuals in the United States and around the world.

This Is America & The World:

We work to help leaders change their world—and the world needs changing. The killings of George Floyd, Breonna Taylor, Ahmaud Arbery, and the loss of far too many Black lives to list, have left our nation heartbroken and outraged. Find ways you can meet anguish with action.
