Body image is the way we perceive ourselves when we look in the mirror. We imagine ourselves to look and act a certain way, even though we may look and act differently to those around us. Someone has

How the Media Affects Body Image - Psych Central

The film studio never intended *Invasion of the Body Snatchers* to be a prestige production -- hence its short running time, designed for bargain-priced double features. Furthermore, executives insisted on adding an awkward prologue and epilogue in which Miles tells his strange story to authorities, to end the flick on an audience-pleasing ...

How does social media use affect our body image?

The Body Snatchers is a 1955 science fiction novel by American writer Jack Finney, originally serialized in Colliers Magazine in 1954, which describes real-life Mill Valley, California (called in the original film by the fictional name of "Santa Mira") being invaded by seeds that have drifted to Earth from space. The seeds, grown from plantlike pods, replace sleeping people with perfect physical duplicates with all the same knowledge, memories, scars, etc. but are incapable of human emotion ...
