Cable TV Support - NKTelco

At \$380 for a manual DVR from a no-name dealer, I don't find this unit compelling -- I didn't find the \$400 CM-7400 compelling either. But for those users who are accepting of the CM-7400's price/performance and unwilling to incur the extra cost of a TiVo-lifetime, this could be an alternative if the CM-7400 is really discontinued.
