Upon rereading these five books -- "Murder on the Orient Express", "Thirteen at Dinner", "Cards on the Table", "Death on the Nile" and "The ABC Murders", I found her dry, minimalist style of writing to be distracting, her form of grammar to occasionally be confusing, and the plotting so basic as to be perfectly suited for a high-school kid just getting into mysteries.

I bought this mainly as I was collecting all of Agatha Christie's Miss Marple Novels. A good Value if you are a Miss Marple fan. The only negative thing is to be able to get all 5 books in one, the print is small and set very close together which makes reading not as easy on the eyes.
