Four Corners Of The Document

In contract interpretation, the Four Corners Rule refers to a common law doctrine dating back to old English courts that requires the court to resolve contractual disputes based on the words contained in the disputed contract. The four corners doctrine is similar to the parol evidence rule, which prohibits a contracting party from introducing evidence separate from the contract that would change fundamentally the intended understanding as written in the contract.

Four corners (law) - Wikipedia

Generally, the procedure for using the four corners rule is as follows: The judge will read the written contract and decide if extrinsic evidence is necessary. The court will enforce the contract as written without extrinsic evidence if not required. If extrinsic evidence is necessary the judge will ...
