ManyBooks is one of the best resources on the web for free books in a variety of download formats. There are hundreds of books available here, in all sorts of interesting genres, and all of them are completely free. One of the best features of this site is that not all of the books listed here are classic or creative commons books. ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability. Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus, ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.

Getting To Maybe How The

Getting to Maybe applies the insights of complexity theory and harvests the experiences of a wide range of people and organizations – including the ministers behind the Boston Miracle (and its aftermath); the Grameen Bank, in which one man's dream of micro-credit sparked a financial revolution for the world's poor; the efforts of a Canadian clothing designer to help transform the lives of indigenous women and children; and many more – to lay out a brand new way of thinking about ...

Getting to Maybe: How the World Is Changed: Westley ...

Quotes from Getting to Maybe:... "Allows for imperfection - in yourself and others." — 0 likes "When an individual behaves in a way that is either too good or too bad it suggests that he has repressed, edited out, or rejected parts of his human nature.

Getting to Maybe: How the World Is Changed by Frances R ...

Getting to Maybe addresses making big, significant change actually happen. It is thoughtful, insightful, sobering and inspirational. The ideas articulated are new and practical. Anyone from the business, government or not-for-profit world who wants to understand change better, and change the way things are, should read this book." ...

Getting to Maybe: How the World Is Changed by Frances ...

Getting to Maybe clearly lays out the structure of the exams, what professors look for in students answers and how to maximize your exam grade. Because the final exam is such a large portion of the final grade (sometimes the only grade), reading Getting to Maybe can be incredibly beneficial to incoming 1Ls.

Amazon.com: Getting To Maybe: How to Excel on Law School ...

But the authors don't stop with mere description. Instead, Getting to Maybe teaches how to excel on law school exams by showing the reader how legal analysis can be brought to bear on examination problems. The book contains hints on studying and preparation that go well beyond conventional advice.

Getting to Maybe: How to Excel on Law School Exams by ...

Getting to Maybe tries to do that, but doesn't really. The Analyzing forks seems tedious and confusing, but it certainly does help grasp a basic understanding of (rather an insight into) how issues and facts diverge and trigger pertinent law discussions.

Getting to Maybe PDF - Book Library

Getting to Maybe fucked me over when I was a 1L. I go to a top ten law school and got really below median first semester because of that book. It tells you to identify forks in the facts or law, but that's not really what gets you points at all. For me, using IRAC to identify forks without actually making arguments hurt me.

Anyone have a good TLDR of "Getting to Maybe"? : LawSchool

Instead, Getting to Maybe teaches how to excel on law school exams by showing the reader how legal analysis can be brought to bear on examination problems. The book contains hints on studying and preparation that go well beyond conventional advice.

Getting to Maybe: How to Excel On Law School Exams PDF

Getting to Maybe investigates the question "how can individuals create positive large-scale change in a complex and uncertain world?" It arrives at the question by noting that the structure of the world seems dauntingly rigid.

Ivan's blog

"Maybe you travel less, maybe you have more free time, so why not? Maybe you get a Lamborghini for your free time." To that end, here is the best advice from longtime industry experts on how ...
