### Inside Jokes Using Humor To

Inside Jokes is the most persuasive theory of humor in the centuries that scientists have been trying to explain why we crack up. Extra bonus: unlike most such research, which is about as funny as a root canal, Hurley's analysis is—and I don't think I'm going out on too much of a limb here—the funniest thing the MIT Press... has ever published (in a good way).

### Inside Jokes: Using Humor to Reverse-Engineer the Mind ...

Inside jokes are the pinnacle of pretension and signify an author that aspires to the lowest of the low in comedic quips. They are the type of joke that says that any person who doesn't happen to be in a select group of a few people are not a part of the joke and wouldn't "get it" anyway.

### Inside Jokes: Using Humor to Reverse-Engineer the Mind by ...

In Inside Jokes, Matthew Hurley, Daniel Dennett, and Reginald Adams offer an evolutionary and cognitive perspective. Humor, they propose, evolved out of a computational problem that arose when our long-ago ancestors were furnished with open-ended thinking.
