There aren't a lot of free Kindle books here because they aren't free for a very long period of time, though there are plenty of genres you can browse through. Look carefully on each download page and you can find when the free deal ends.

Introduction To Special Relativity Robert

Robert Resnick promotes special relativity in his 1967 book "Introduction to Special Relativity". Starting on page 53 discussing clock synchronization, figure 2-1 illustrates simultaneous lightning strikes in two frames, one resting and the other moving. Signal motion in the rest frame is ballistic while in the moving frame it is absolute.
