Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

New Haven Clock Movement Repair

New Haven Clock Repair. One of the most prolific American made clocks, New Haven Clock Company began manufacturing clocks in New Haven, CT in 1853. They were known for their high quality porcelain and case clocks. However they also made many wood case clocks and a few tall case clocks.
