Summary and reviews of Southern Storm by Noah Andre Trudeau

Southern Storm provides a detailed account of General Sherman's march through Georgia and the military and political implications of this military feat. It is amazing to consider that an army set out with little supplies, no communications to its home base and into a hostile territory with the intent to live off the land and defeat the populace ...

Southern Storm: Sherman's March to the Sea by Noah Andre ...

Southern Storm is an outstanding example that inside information about this campaign does add to the narrative. The detailed information from soldier diaries and citizens along the way are stunning, given most Sherman march stories cover only the well known generals and the tactics.

The Generations of Noah or Table of Nations, broadly referred to as Origines Gentium, is a genealogy of the sons of Noah, according to the Hebrew Bible (Genesis 10:9), and their dispersion into many lands after the Flood, focusing on the major known societies. The term nations to describe the descendants is a standard English translation of the Hebrew word "goy", following the c. 400 CE Latin ...

Generations of Noah - Wikipedia

The tropical cyclone struck southern Dade County, Florida, especially hard, with violent winds and storm surges characteristic of a category 4 hurricane (see addendum on upgrade to category 5) on the Saffir/Simpson Hurricane Scale, and with a central pressure (922 mb) that is the third lowest this century for a hurricane at landfall in the ...
