safety cultures, Cooper and his colleagues have put together Strategic Safety Culture Roadmap, a free resource that provides advice on the many different paths that can be taken to create safety cultures that meet the unique needs of individual companies. Included in the document are detailed outlines of 10 different safety culture strategies.

Developing a Strategic Safety Culture | EHS Works

Dr Dominic Cooper argues that adopting a servant leadership approach targeting the main seven broken safety culture topics could lead to a major breakthrough. Safety leadership research has shown that servant leaders have double the impact on safety performance than either transformational or transactional leaders, although people tend to use all three depending on the situation [1] .
