Each day, dedicate a few minutes to the move(s) on the squat challenge calendar—but keep up with your usual workout routine. On the last day, do the total-booty boot camp for your workout and feel the lower-body burn. Step 1: Master proper squat form. Step 2: Commit to dropping it low for just a few minutes each day during this squat challenge.

The 30-Day Squat Challenge That Will Totally Transform ...

There are many ways you can increase the intensity of your squat by adding weight. Whether you have access to a full gym or you're more of a workout-at-home kind of person, adding weight can be great for adding muscle, toning up and just challenging yourself overall. The barbell back squat This is the variation pictured above.
