The Strange Bird is a story that takes place in the Borne universe during the same timeline as the original novel, but from the perspective of a different character called the Strange Bird. Part human and part bird, VanderMeer's world gets a different perspective as the Strange Bird escapes her laboratory prison and learns about the world outside its walls.

THE STRANGE BIRD | Kirkus Reviews

The bristled head of a mounted wild boar watches over the bottles at Irvington's new tiki-leaning watering hole, *Strange Bird*. Its vicious bouquet of gnarled tusks gives the beast an especially menacing quality that befits an animal frozen in mid-rampage.

Bird - Indianapolis Monthly

Strange Bird is such a great addition to the Irvington area. If you live in or around the downtown area the bars get kind of old and redundant.

Strange bird brings new life to the city as it is vibrant and fun and expand past the boundaries of downtown Indy (just a quick 10 min drive away).
