Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day.

The Warriors Camera

After examining the development of Kurosawa's visual style in his early work, The Warrior's Camera explains how he used this style in subsequent films to forge a politically committed model of filmmaking. It then demonstrates how the collapse of Kurosawa's efforts to participate as a filmmaker in the tasks of social reconstruction led to the very different cinematic style evident in his most recent films, works of pessimism that view the world as resistant to change.

Simple, quiet, affordable motion control for everyday production. The Stealth System is a modular, highly configurable 8-axis camera motion rig. Rather than just reworking a noisy automotive assembly robot, the Stealth System was designed from the ground up by a 30-year veteran cinematographer with the features he'd always wanted for his own projects.

Motion Warriors - Innovating motion technology

"The Warriors" is a real peculiarity, a movie about street gang warfare, written and directed as an exercise in mannerism. There's hardly a moment when we believe that the movie's gangs are real or that their members are real people or that they inhabit a real city. That's where the peculiarity comes in: I don't think we're supposed to. No matter what impression the ads give, this isn't even ...

The Warriors movie review & film summary (1979) | Roger Ebert
